"Keeping our neighbors informed...in touch...and connected!"

September 2018

Message from the HOA Board:

Greetings!

It is with great excitement that we introduce our new **Weatherstone Neighborhood Newsletter!**

This is another way to share Weatherstone Community updates in-between our scheduled meetings. This 1st edition is being sponsored by our very own neighbor here in Weatherstone, **Gail Hutcherson!** She is a REALTOR® in our neighborhood who has volunteered her talent and resources in helping us to share updates and information. Thank you, Gail, for reaching out and connecting with us!

Please take a moment to visit our site at weatherstonecommunity.net and see all the updated information which pertains to our subdivision and our upcoming community events.

We hope you will enjoy reading the Weatherstone Neighborhood News. It's news that you can use!

Your President,

Nichele Ford

HOA COVENANT CORNER

Recently we have been made aware of the following issue in our community:

Commercial vehicles (trucks, buses) and cars are being parked on the street overnight and/or in driveways or on the grass. These vehicles can be ticketed by Code enforcement and a large fine may be issued. As neighbors, we want to maintain the quality of life in our subdivision. Please help us to avoid involving Code Enforcement by making every effort to remove any vehicle that is in violation of our covenant. We appreciate your cooperation in advance!
